

For Autism & ABA Centers

Give Families More Support. Give Your Center a New Revenue Stream.

Add a turnkey Whole Child Wellness Program without adding clinical staff, insurance billing, or complicated new workflow.

Why Centers Are Adding Whole Child Wellness

The families you serve every week are already asking for it, here's what it does for your center.

A genuine cash-pay line that runs alongside your current model.

A turnkey wellness program your team doesn't have to build

Families are supported and stay engaged between sessions.

10 families enrolled per month = \$120K+ in additional annual revenue

Choose the Model That Fits Your Center

1

Testing Partner

- 1 Mention it at intake or a check-in
- 2 Family completes an at-home hair and saliva analysis
- 3 CBH runs the consult directly, nothing more from your team

2

Wellness Program

- 1 Family enrolls in your wellness program
- 2 CBH test + personalized review from CBH
- 3 You deliver the Family Roadmap
- 4 Ongoing follow-up keeps them engaged

3

Premier Center

- 1 Everything in the Wellness Program, plus:
- 2 Monthly parent education
- 3 Annual membership with scheduled testing built in
- 4 Featured CBH Partner status in your market

How to Get Started

1

Book a 15-Minute Call

See pricing, setup, and exactly what week one looks like for your center.

2

Pick Your Level

Testing Partner, Wellness Program, or Premier Center — start wherever fits today.

3

Launch This Month

Offer it to your first families within days of onboarding.
